**GRINAKEE LTA CONSTRUCTION COMPANY: 26<sup>TH</sup> JANUARY 2012**  
**WORKSHOPS: HIV/AIDS AWARENESS & DVD "TSHINTSHA"**

**SUMMARY OF EVALUATIONS**

**The following were some of their remarks:**

- I learnt more things that I didn't understand;
- I knew about the disease – but not how it worked
- It has encouraged me to know my status
- I am going next week for testing
- I liked the 2.6 days
- There was lots I did not understand
- The DVD is so interesting to me
- The DVD helps us to know how friends can help men to treat women
- The presentation was wonderful. Everyone did understand so I think its good
- It helped me to learn a lot of how to be responsible in terms of being more concerned with sex
- For us at Grinaker it is indeed a great opportunity to receive this kind training(please continue to teach others)
- Yes, I have gained a lot because living with HIV & AIDS is not the end of the world
- What they told us is clear and its true, showing by all means that we understand by pictures, television etc
- How the HI Virus destroys our bodies and how to live with it.
- I think everything was clear and understandable.
- I am giving them 100% because now I know that living with HIV is not the end of the world.
- I can live longer only if I protect myself, eating ARV's and healthy foods
- I gained a lot, especially in DVD part
- The presenter is 10 out of 10
- Everything was well organised and fine.
- Everything was fantastic.
- Yes as a married guy I gained a lot to protect my marriage
- Changes will happen in my life because of it
- The presentation is just wow and we get to know more about HIV/AIDS because of it
